

Video Auditions

February 25-April 2, 2022

DJD invites dancers seeking employment with our Company or a place within our Professional Training Program to first fill out our Audition form at <https://www.decidedlyjazz.com/the-company/auditions/> and then submit a video application that highlights the following:

- A short introduction (who are you? where are you from? are you auditioning for company or PTP?)
- Groove and improvisation (2 mins) - using jazz or music from the jazz family, improvise in a way that we can see your groove and musical connection.
- A display of ability – (5 mins max) Please provide content that clearly displays your ability and mastery of your chosen dance form, be that jazz, contemporary, classical, or hip hop. If choosing to include classical or contemporary technique, please display a simple centre practice (no barre work, please).
- A short choreographed sequence to a piece of music of your choice (1-2 mins). The genre of your submission should be related to jazz. A video of a previous performance will suffice as long as you are clearly identifiable (Please do not send footage that is older than 3 years).

Please record yourself in a studio setting with a “fixed” camera (we suggest using a tripod) located on the diagonal. This request is so we are able to observe your dancing from various angles, and not just straight on.

Your submission can be sent via **WeTransfer** and must be received between **February 25 and April 2, 2022**.

How to use WeTransfer:

1. Go to [WeTransfer.com](https://www.wetransfer.com) (you do not need to register for an account – click at the bottom of the page “I just want to send files” if prompted)
